Engineering Services Group

00932-Office of Engineering Serv Group Manager

Template Type	Org/Vendor/Provider	Description	Budget	Proposed	Proposed Plus One
Memberships	American Academy of Environmental Engineers and Scientists	Provides staff with latest technical knowledge of environmental issues	200	200	200
	Engineering News Record	On-line construction cost/price index & technical knowledge of engineering advancements	300	300	300
	International Ozone Association	"International Ozone Association (G. Johnson, J. Bednarski)"	500	500	500
	PE Licenses	Professional Licenses required by the District MOU and state law		500	500
	PE Licenses	Professional Licenses required by the District MOU and state law.	400	1,400	1,400
	SME	UC Assoc of the Society for Mining & Metallurgy & Exploration		1,800	1,800
	Water Desalination Report	This newsletter is produced on a weekly basis and includes updates on	2,000	2,000	2,000
Total Memberships			3,400	6,700	6,700
Professional Services	Consultants: TBD	Technical support for the California WaterFix		250,000	250,000
	Consultants: TBD	Technical support for the regional recycled program		750,000	500,000
Total Professional Services				1,000,000	750,000
Training	Colorado School of Mines and Microtunneling	Technical knowledge in the field of tunneling		4,000	4,000
Total Training				4,000	4,000
Travel	Clean 17	Technical knowledge on the latest information in water and technology		4,000	4,000
	Colorado School of Mines and Microtunneling	Technical knowledge in the field of tunneling		2,000	2,000
	Cutting Edge Conference	Technical knowledge on advances in tunneling technology		2,500	2,500
	North American Tunneling Society	Technical knowledge on the latest information in tunneling and underground construction		2,500	2,500
	Offsite Field Meetings	"Travel for field inspections, member agency meetings, DWR/SWC"	1,500	7,500	7,500
	Offsite Meetings	"Travel for field inspections, member agencies, technical conferences, AWWA, ASCE"	9,100	11,000	15,000
	Offsite Travel	Travel in support of the California WaterFix		50,000	50,000
	State Water Contractor's Meeting	Meetings in Northern California dealing with State Water Contractor issues	3,000	7,500	7,500
Total Travel			13,600	87,000	91,000
Total 00932-Office of Engineering Serv Group Manager			17,000	1,097,700	851,700

Engineering Services Group

00983-Design Unit

Template Type	Org/Vendor/Provider	Description	Budget	Proposed	Proposed Plus One
Memberships	American Academy of Environmental Engineers - R. Bachelder	Provides updated information on environmental engineering issues.	200		
	CDHS Treatment Operator/Distribution Operator	Certification renewal	1,000	1,000	1,000
	Go To Meeting	Provides staff with technical support for various technical development on site training	500		
	Hydraulics Institute	Provides staff with latest information related to technical knowledge of hydraulics and pump standards		2,200	2,200
	ICC (International Code Council)	"For the latest state-of-the-art knowledge of building safety, codes, fire prevention, earthquakes, design methods"	400		
	IHS Global Standards	"Technical knowledge: On-Line service for ASME, AWWA, API, ANSI"	72,600	76,200	83,900
	Institute of Electrical & Electronic Engineers (IEEE)	"Technical knowledge: system design methods, industrial standards, code changes, & trends in electronics, electrical power, computers & telecommunications"	500	500	500
	International Society of Automation	Technical knowledge of latest code & design for automation & related instrumentation to ensure compliance & project cost effectiveness	100		
	National Fire Protection Association	For technical development in preparation for emergency response situations	200	200	200
	Professional Engineers License Renewals	Professional Licenses required by the District MOU and state law.	7,600	9,000	9,000
	Storm Water Pollution Preparation Plans (SWPPP)	Provides staff with latest codes related to the regulations required for design of storm water prevention pollution plans.	500	500	500
	Technical Subscriptions	"Include : Proceedings of the Institution of Mechanical Engineers, Tunneling, Modern Power Systems, Concrete Construction, Int'l Water Power & Dam Construction"	13,100	13,800	15,100
Total Memberships			96,700	103,400	112,400
Professional Services	Consultants - TBD	Provide support for State Water Project		30,000	30,000
	Various On-Call Design and Architectural Consultants	"Provide supporting engineering services to DWR, architectural, HSE (Health, Safety, Environmental) & unplanned O&M requests"	25,000	25,000	25,000
Total Professional Services			25,000	55,000	55,000
Training	ASCE Technical Seminars	"Technical knowledge: latest codes and design information in tunneling, seismic retrofitting and codes,"	1,200	1,000	1,000
	ASME Piping Design	"Technical knowledge: piping code requirements, analysis techniques"	4,700	3,400	3,400
	ASME/API Condition Assessment	Technical knowledge: condition assessment for equipment and operating systems	5,000		
	Allen-Bradley PLC Seminar	Technical knowledge: design of PLC based controlled systems	3,200	3,000	3,000
	American Concrete Institute	Technical knowledge of latest modifications to the existing concrete code	2,600	2,000	2,000
	American Institute of Steel Construction (AISC)	Technical knowledge of latest modifications to the existing steel code	1,000		
	American Society of Civil Engineers (ASCE)/WEB Seminar	Technical knowledge: latest modifications to the new ASCE7 requirements	1,300	1,000	1,000
	Asbestos Project Design Training	Technical knowledge: train staff for certification to prepare asbestos remediation specifications	900		
	CAL/OSHA - Health & Safety	Technical knowledge: latest codes & design information in health & safety engineering	300	300	300
	CAL/OSHA On-Line Training (Health & Safety)	"Technical knowledge: latest CAL/OSHA requirements in health/safety engineering, engineering standards and practices"	1,000		
	California Fire Code On-Line Training	Technical knowledge: training staff in proper design/application of fire suppression systems to meet fire code regulations	1,300		
	California Fire Code Update Seminar	Technical knowledge: latest fire protection code regulations & requirements	700	700	700
	California Hazardous Waste Management Training	"Technical knowledge: latest hazardous material storage, handling and disposal requirements"	600	600	600
	Conference for Geotechnical Engineers	Technical knowledge: latest codes and design information in geotechnical earthquake engineering	1,100		
	ETAP Seminars (Local)	Technical knowledge: electrical system studies ETAP. Update staff and train additional staff	2,000		
	Institute of Electronic & Electrical Engineers Western USA Region Technical Conference	Technical knowledge: current design in electrical systems reliability and automation control	500

Engineering Services Group

00986-Infrastructure Unit

Template Type	Org/Vendor/Provider	Description	Budget	Proposed	Proposed Plus One
Memberships	American Society for Non-Destructive Testing/ASNT	"Provides updates on technology, codes, and processes"	100	100	100
	American Society of Civil Engineers	Provides latest technical information on civil engineering technical knowledge related to dam safety	500		
	American Society of Testing Materials	Provides updates on testing information for metals and updates on technology	900		
	American Welding Society	"Provides updates on technology, codes, and processes. Membership dues."	100		
	Association of State Dam Safety Officials	Provides technical knowledge related to dam safety		400	400
	California Land Surveyors Association	"Latest knowledge and updates on issues related to land surveying, processes, county fees and legislative information"	400	1,600	1,600
	Int'l Right of Way Association	Provides latest in right of way information	200	500	500
	League of California Surveying Organizations	"Provides updates on current county fees, processes, legislative changes in Land Surveyor's Act"	100	100	100
	National Association of Corrosion Engineers ("Required to provide inspection on DWR and MSU inspection work and updates on technology, codes, and processes. Membership dues."	600	600	600
	Professional Licenses Fees	Professional License required by the District MOU and state law.	4,300	4,300	4,300
	Society for Protective Coatings SSPC	"Provides updates on technology, codes, and processes"	300	300	300
	United States Society On Dams	For information-sharing on the latest dam design and monitoring techno	800		
	Urban & Regional Information Systems Assoc / URISA	Provides latest information in the use of and integration of spatial information technology	200	200	200
Total Memberships			8,500	8,100	8,100
Outside Services - Non Prof	"Various Counties (San Bernardino, Orange, Ventura, Yolo, Sacramento, Contra Costa, Solano, San Joaquin, San Diego"	County tract/parcel/record of survey. Purchase of maps to support Core business functions.	300	300	300
	A-A Enterprises	Calibrate Louis Harness Tester used in Materials Testing Lab. Calibrate EPOCH portable field hardness tester.	300	300	300
	Atlas Manufacturing	Maintain and calibrate the Atlas accelerated weathering machine. Time for preventive maintenance and new light calibrations.	11,000	12,800	12,800
	Calibration Services	Calibrate reference (calibration) equipment	1,200	1,200	1,200
	Fritz Instruments	Maintain operation and visual acuity of laboratory microscopes	700	700	700
	Instron Corp.	Maintain and calibrate the Instron Universal Tinseling Testing machine used to conduct physical performance tests.	4,100	4,500	4,500
	Konica Minolta Business Solutions USA Inc.	Scanner maintenance and repair	1,400		
	NDT Equipment Maintenance/Calibration	Equipment maintenance and calibration	1,200	1,200	1,200
	Rayne Water	"Deionize water service for weatherometer, high humidity testing chamber and general laboratory use."	6,300	8,200	8,200
	Sy Nielson	Maintain operation and calibration of laboratory scales	200	200	200
	Various Counties-Review for Record Survey Mapping	Record of survey mapping recordation	6,000	6,000	6,000
Various Title Companies	Preliminary title reports required for MWD knowledge of encumbrances impacting property potentially hazardous to future MWD facilities. Costs have increased.	8,000	14,000	14,000	
Total Outside Services - Non Prof			40,700	49,400	49,400
Professional Services	"Consultant: Digital Map Products, First American Core Logic"	Provide property ownership and assessor data as well as recorded documents.	24,000	24,800	24,800
	Consultant Services - TBD	DAM EAP Outreach support		75,000	100,000
	Consultant Services - TBD	DAM EAP Training and exercise			100,000
	Consultant Services - TBD	DAM EAP preparation		100,000	
	Professional Laboratory Services	Provide specialized laboratory services	2,000	3,000	3,000
U.S. Geological Survey (USGS)	Maintain our accelerographs for earthquake monitoring	50,000			
Total Professional Services			76,000	202,800	227,800
Repairs & Maintenance - Outside Services	TBD: Service Provider	"Lab Equipment repairs, maintenance and calibration of equipment not covered by maintenance contract"	3,000	3,000	3,000
